

SAJAAN MATHARU

Product Designer

Experience

DESIGNER & DEVELOPER

Dec. 2014 - Now

DISHLYFT: Founder

Jan - June 2014

I built, designed & prototyped a mechanical invention that makes emptying and filling your dishwasher easier.

PIRATEHIRE.COM: Founder

July - Oct. 2013

My startup that matched applicants & employers together. I designed the site, created the algorithm, formulated & managed the business, financials, marketing & growth.

MACYS: Sales Associate

June - Sept. 2012

Comission based sales position. Consistently reached ~175% of weekly sales goal.
